FOREWORD

To Miller Bedford of New London, Ohio goes the credit for organizing the Ohio Gun Collectors Association, Inc. He invited a group of gun collectors to his home on August 8, 1937 with the idea of forming a club for the exchange of information. At this meeting Miller Bedford was elected President and Terry Brown was chosen to be the Secretary Treasurer. This small group has now grown to a body with over 1500 members, from nearly every State in the Union, and from three foreign countries.

In 1949, the group was incorporated as a non-profit organization, with membership open to any reputable American citizen, over 18 year of age, without a criminal record. The entrance fee is now \$4.00, which includes the initiation fee and dues for the balance of that year. The annual dues are \$2.00 per year thereafter.

Meetings are held in different cities of Ohio, not to exceed six times a year.

At each meeting, an officers and Board of Directors meeting is usually held an Saturday. At this meeting, all the policy making decisions, not requiring the vote of membership, are made. The general business meeting on Sunday deals with matters of importance requiring the vote of all members.

The meetings are semi-public and are open to members and their guests.

The Ohio Gun Collectors Association, being a collectors organization, encourages its members to bring and display unusual and rare items from their collections.

Passed July 25th, 1948:

The following rules were drawn up by a Special Committee appointed for this purpose. They were adopted as printed below.

Subject: Report of Committee

The Committee on Exhibits and Safety, in consideration of the need for regulation of exhibits for the purpose of restoring the meetings of the Association to the original intent, and for the protection of members and guests, has prepared the following recommendations. The matter of Safety is considered of prime importance, as an accident that would result in serious injury or death to any individual would likewise immediately terminate the Association.

SECTION I.

Safety Rules

No member or other persons shall during the continuance of a meeting of this Association, and upon the premises where such meeting is held, display or show a loaded or primed firearm or air gun, nor shall any member or other persons place any charge, whether blank or ball or empty case, in the barrel, chamber, cylinder, or magazine of any arm upon said premises during such time. Nor shall any member or other person place any percussion cap, tube, pill or any other priming device in or upon a firearm on such premises during such time.

Neither shall any member or other person bring on the premises during such time any explosive other than small arms ammunition, except, gun powder for use in small

arms which may be admitted only in sealed metal containers, and primers for small arms, or small arms ammuni-

tion in standard packages.

Neither shall any member or other person bring on the premises during such time any cartridge, bullet, shell, grenade, or rocket, or any other explosive device not produced for use in small arms, nor any explosive that is sensitive to detonation normally in any way other than by discharge in small arms, nor any gas shell or gas container of any kind.

Neither shall any member or other person bring on the premises during such time any edged weapon in the form of bayont or knife, having spring-operated joints or of the "snap-open" variety, unless the release mechanism has been made safe by sealing by the use of tape or in

some other manner as the Safety Committee may approve.
Neither shall any member or other person bring on the premises during such time any edged weapon in "Razor Sharp" condition or of a sharpness that might through normal handling result in cutting, unless such weapon is sealed in a scabbard or sheath so as to be safe.

SECTION II.

Penalty for Violation of Safety

The Committe appointed by the duly authorized officers of this Association or any member of said Committee, or any officer of the Association, may order any violating member or other person to immediately remove his exhibit from the premises. Such violation shall be reported to the Committee and the officers of the Association who may declare the individual, if a member, in suspension of his membership, or if a non-member bar him from exhibiting at any future meeting of the Association.

Any member or other person who has been barred or suspended may appeal to the President, who may see fit to consider the matter in conjunction with the Directors, and either remove the suspension or disbarrment or sustain such penalties. The decision of the President and Board of Directors shall be final in all such matters.

SECTION III.

Permitted Exhibits

1. Small arms: weapons intended to be fired from the hand or shoulder by a single individual and complying with all Federal, State and Local Laws.

2. Ammunition for small arms, including components

and materials for same.

3. Accessories and attachments for small arms, includ-

ing sighting, carrying and cleaning equipment, and supplies,

and ammunition and accessory belts, boxes and kits.

manufacture of parts.

8. Edged weapons.

- 9. Bows, arrows, cross-bows, arrowheads and similar items.
- 10. Books, literature, and photographs or pictures related only to small arms or ammunition or their use or manufacture.
- 11. Any other article, articles, or devices that can be shown to be properly related to the activities of The Ohio Gun Collectors Association.

SECTION IV.

Prohibited Articles

- 1. Any item not admitted under the above section is prohibited for exhibit at meetings of the Association.

 - 14. Any item barred by Safety Rules.
- 15. Any other article or articles which are patently not related directly to the activities of The Ohio Gun Collectors Association.

SECTION V.

Penalty For Violation

Any member of the Association or other person found exhibiting prohibited items at a meeting or on the premises of a meeting may be requested by any member of the Committee appointed to enforce such rules, or any officer or Director of the Association, to remove the offending items immediately. Failure to comply, or repeated violations, will result in suspension of membership or disbarment from meetings. Action by the President and Board of Directors shall be final.

The Committee on Safety and Exhibits recommends that if the above suggestions are adopted they be prepared in printed form for the information of all members and be displayed publicly on the premises at all meetings.

The privilege of appeal is recommended under Section II, Penalty for Violation of Safety, as it is realized that the Exhibitor may be a victim of the actions of others. Violation of rules of Exhibit are the planned act of the

Exhibitor and no appeal is justified.

We recommend that the President appoint a Committee of an appropriate number, not of the Host Club, to enforce Safety and Exhibit rules for each meeting; this Committee to be supplied with a Book of Rules which also includes space for recording amendments, and a diary of meeting, with record of violations and warnings.

We also recommend that all Exhibitors be required to identify their formal displays and suggest that a Printed

Form Card be supplied for this purpose.

Signed,

Committee on Safety and Exhibits
